Intercity Insurance® is the official insurance broker of most Equine Associations in Canada.
Questions about this Insurance Program must be directed to Intercity®.

1. Liability Insurance for Club Activities

- Club insurance is for Clubs who are members of their Provincial Equine Association **and** whose active riding or driving members are also members of the Provincial Equine Association.
- The coverage is for all "approved" activities. "Approved" activities are those that you declare on the attached form which are reviewed by Intercity Insurance®.
- Coverage may be extended to the actual ownership of land/buildings, and the operation or maintenance of equine facilities where you own, rent or maintain land/building(s) for more than 15 consecutive days (see application form).
- The Insurance price starts at only \$400. and provides:
 - \$ 2,000. on owned Money
 - \$ 10,000. on owned Property other than buildings (higher limits available)
 - \$ 10,000. per Horse, \$100,000. per incident/aggregate if liable for horses of others in your custody
 - \$ 1,000,000. on Tenant Legal Liability on responsibility for rented premises
 - \$ 5,000,000. on Club World Wide Liability including Injury to Participants

If you want this very broad special insurance complete and return the attached application. Coverage is not effective until both the signed application form and the payment are received.

2. Directors & Officers Liability is a special coverage available separately to Clubs who submit the Directors & Officers application form which is also attached.

- The cost of the "Directors & Officers" coverage may be as low as \$175.
- Directors & Officers Liability protects directors and their personal assets from law suits brought against them for their actions as a director of the Club.

NOTE: - Both application forms are required if both (1 & 2) coverages are required.
- Remember to enclose your payment as coverage cannot be made effective until we have received the Application Form(s) and the Premium Payment.
